

MX W1

Free your sound

High-end digital wireless earphones for unmatched listening freedom and detailed stereo sound! For more than 60 years, Sennheiser has captured the imagination of sound professionals and music lovers. The new MX W1 continues this spirit, delivering high-fidelity stereo sound. It communicates uncompressed audio over a robust digital link enabling you to enjoy your music without the hassles of cords.

- High-fidelity Stereo Sound
- True Digital Wireless
- High quality, uncompressed wireless stereo transmission over a robust 2.4 GHz digital link
- No setup required – Just plug and play. Simply fix on the transmitter to your personal audio/video player, put on the earphones and turn it on!
- Compatibility with all other Kleer enabled audio/video devices
- Dynamic speaker systems with powerful neodymium magnets deliver clear and detailed audio reproduction
- "Twist-to-fit" system and comfortable earpads allow for the best custom fit
- Carrying case with quick-charge functionality enables up to three full recharges to receivers while 'on the move'!
- Compatible with MP3, CD, DVD players and iPod
- Delivery includes: Two wireless receivers (earphones with Twist-to-Fit functionality)
Small and lightweight transmitter for broadcast of wireless signals
Carrying case with integrated charging capability
Multi-country power adaptor
Ear adapter set, User manual
